Background

Baltikums Bank AS (hereinafter referred to as Baltikums Bank or Bank) is a credit institution regulated by the Finance and Capital Markets Commission (Kungu iela 1, Riga, LV-1050, Latvia) and registered with the Register of Enterprises of the Republic of Latvia on 22 June 2001, registration No. 4000351060.

The registered office of the Bank is at Smilsu iela 6, Riga, LV 1050, Latvia.

Baltikums Bank operates in accordance with the applicable legislation of the Republic of Latvia and a license issued by the Financial and Capital Market Commission.

Its shareholders (beneficial owners) are natural persons resident within the Republic of Latvia. The Bank was founded in Latvia but is also a European and international financial institution. The Bank's primary lines of business are managing the capital of high net worth individuals, banking, investment and advisory service for large and medium-sized businesses and financial institutions.

Baltikums Bank has its head office in Riga (Latvia), with representative offices in Almaty (Kazakhstan), Kyiv (Ukraine), Vilnius (Lithuania) and Tallinn (Estonia). The shareholder of Baltikums Bank also operates related companies in Moscow, St. Petersburg (Russia), Bishkek (Kyrgyzstan), Baku (Azerbaijan), Limassol (Cyprus) and Luxembourg.

The Group's consolidated and the Bank's separate financial statements for the 12 months of the year 2013 have been prepared in accordance with International Financial Reporting Standards adopted by the European Union, on a going concern basis. Audit was conducted by KPMG Baltics SIA (Vesetas iela 7, Riga, LV-1013, Latvia), reg. No. 40003235171.

This interim report has been prepared in accordance with Financial and Capital Market Commission (FCMC) regulation No. 145, "Regulations on preparation of public quarterly reports by credit institutions", and is intended to inform about the Bank's financial standing and the results of its operations.

Amounts in financial statements are indicated in thousands of euros (EUR '000), unless specified otherwise.

Strategy and Mission

Baltikums Bank AS is a leading European private bank and banking group with a business model that is built around Client Relationship Directors (CRDs). CRDs and their teams are supported by a well-developed operations infrastructure, a wide array of wealth management services, an international network of partners and representation at major business and finance centres in Europe and throughout the world. The Bank operates with maximum efficiency, generating considerable operational income while maintaining its costs at the lowest level on the Latvian market. The Bank offers banking, investment and advisory services of a high level of quality and consumer value to private clients who want to delegate financial decisions to us and develop sustainable business relations.

The Bank provides an entire range of high-quality banking products and services to its target clients. As a priority, the Bank develops lines of business that correspond to its business model and core competencies, allowing it to leverage its strengths on highly competitive markets while taking acceptable levels of risk.

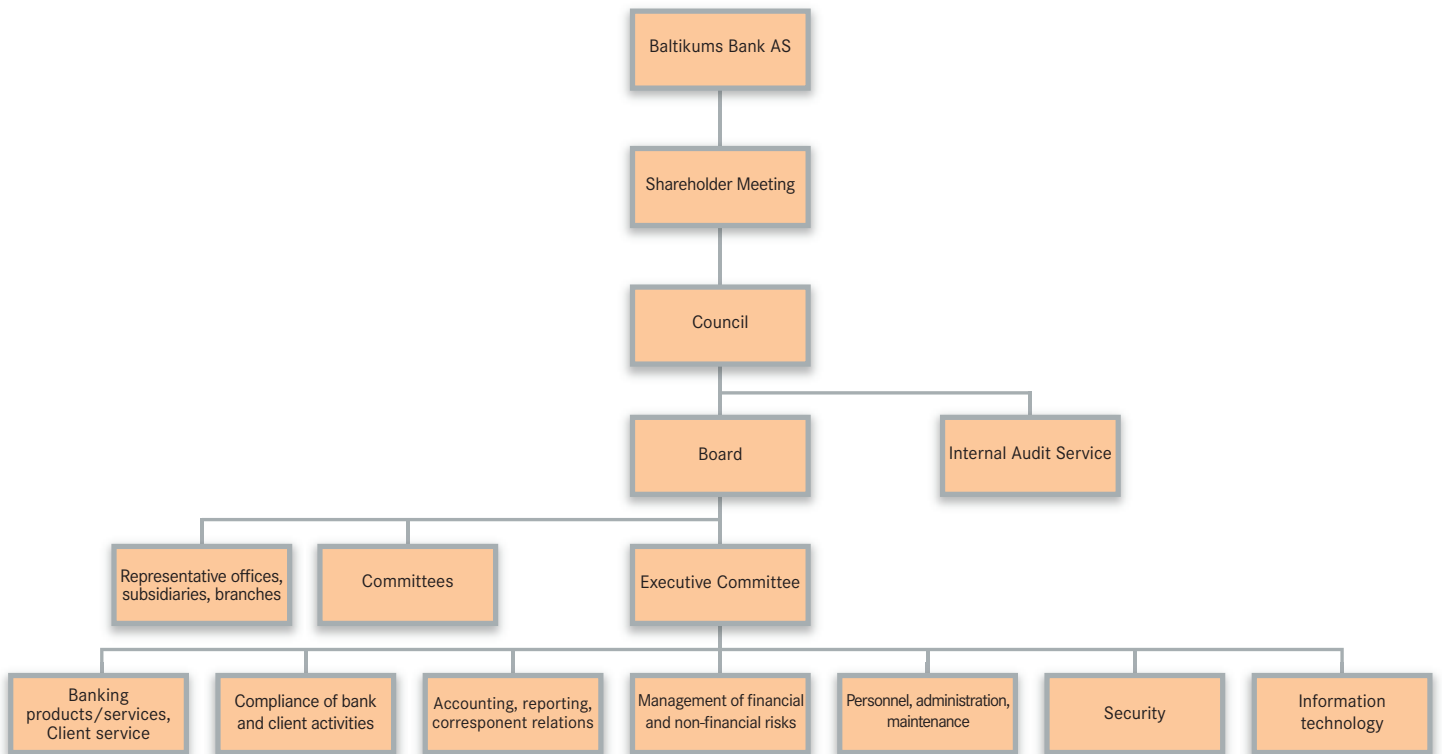

The Bank's long-term business priorities are advisory, banking, and investment service.

The target client base of the Bank is aligned to its key development goals:

- High net worth individuals, medium-sized and large companies that require a wide range of services for capital and asset management;
- Corporate entities and merchants engaged in international trade and services;
- Financial organisations and international investors that require highly professional service for settlement and financial market operations.

The Bank does not plan to provide retail banking services.

Analysis of Risks

In its activities, Baltikums Bank pays great attention to risk identification and management. The Bank considers the following risks to be substantial for its operations:

- Money laundering and terrorist financing risk;
- Credit risk;
- Liquidity risk;
- Market risks (securities price risk, interest rate risk in the non-trading portfolio, currency risk);
- Operational risk;
- Strategy and business risk.

The Bank's risk management principles are laid out in its risk management policies, which have been approved and supervised by its Council. Risk management policies define qualitative and quantitative criteria for identification of risks related to the Bank's activities, risk management and control elements, the procedure for making decisions on risky transactions, limits, various risk mitigation and minimisation measures, and the obligations of structural divisions for controlling risky transactions. Enforcement of the policies is supervised by the Bank's internal control units:

- Client Activity Compliance Department;
- Financial Analysis and Financial Risk Management Department and Operational Risk Management Department;
- Internal Audit Service.

Risk management is ensured by the following committees:

- Client Activity Compliance Control Committee;
- Credit Committee;
- Investment Committee;
- Non-financial Risk Management Committee.

During the reporting period, Baltikums Bank had no significant changes in risk management. Information about risk management is available on the Bank's website: <http://baltikums.eu/lv/about/info-atklasana/> (Latvian) and in the Bank's 2013 Annual Report at <http://www.baltikums.eu/en/about-us/financial-information/financial-statements/>
